Last night

Do you mean that?
Kaji,
...I'm sorry.

Can't think of anybody else but him
But I already...
I might have goue out with you
If I hadu't met Chizuka,

I want Chizuka's every thing
I want every-thing His body and heart His future and past
That's all I can think about now,
Because I love...
... Him
sfx
step

sfx: kiss
Ka
ji
I'll take you in no matter when it is
When you're abandoned or feel lonely, talk to me
I expected that answer
Don't make that face
Right
As I thought
Huh?
sfx: pull hair back
Then
See you tomorrow
Relax
Now,
I'm going to keep that kiss a secret from your lover

Stop it!
Hurry up and go
Didn't I sound just like him?
Like that jerk
Ahaha hahaha!
Ch
I didn't know that you'd be with a man
It was hard to find this place.
Leave what?
I wrote on the memo that I wanted to leave
But

Ugh
I've been hungry these few days,
So I came to eat.
sfx: hug ギュ！
Will your friend leave now?

sfx: bang
sfx: step step

Kaji, I'm sorry
Please go back

Why are you quietly listening to his footsteps?

sfx: creak

He really thought I was like that
Chizuka...
Did it feel empty with only my fingers?
Huh?
What face were you going to show when he embraced you?
By a man other than me
Come here.
He thinks I'll sleep with anyone
I'll give you what want you want and stir you up

He thought that—
No
Ah
Ugh
Even though I hate it,
Chi zuka
I still feel it

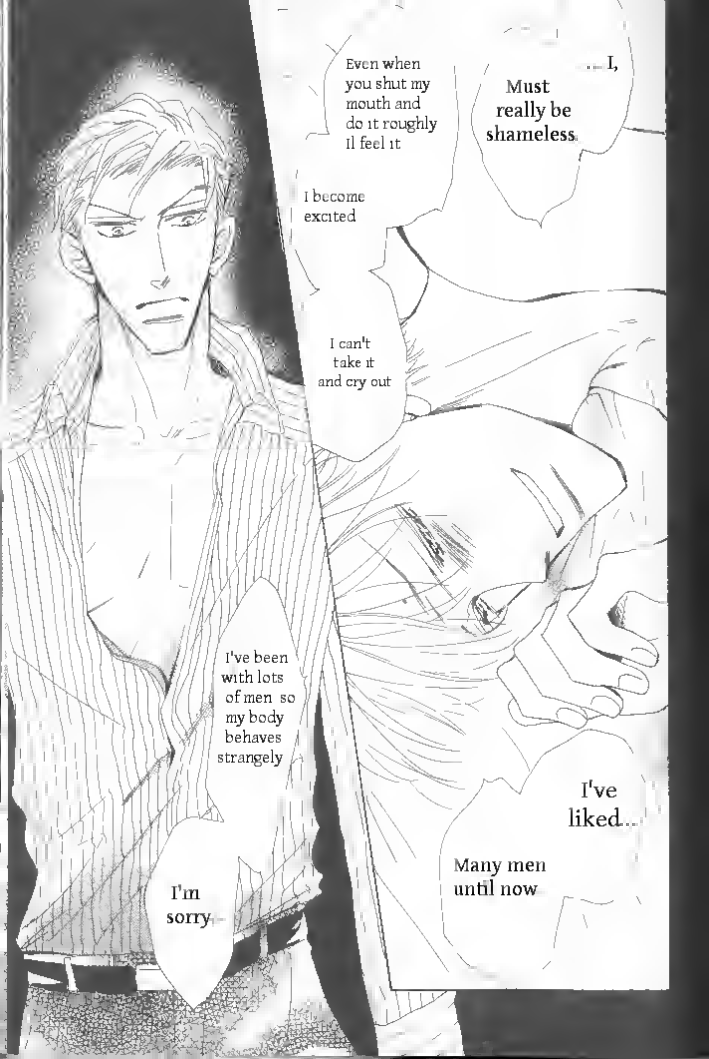
I'm clearly shameless
sfx drop drop
I like being taken even though I'm a man
If I feel it I'll cry out
Ah
ugh
So he thought I'll sleep with any man
It hurts
That Chizuka sees me like that
Ah
Ugh

I don't want to make a sound
ugh...
Mm
I don't want to show my tears
sfx finish
sfx take out
CHUNK!
I don't want to feel

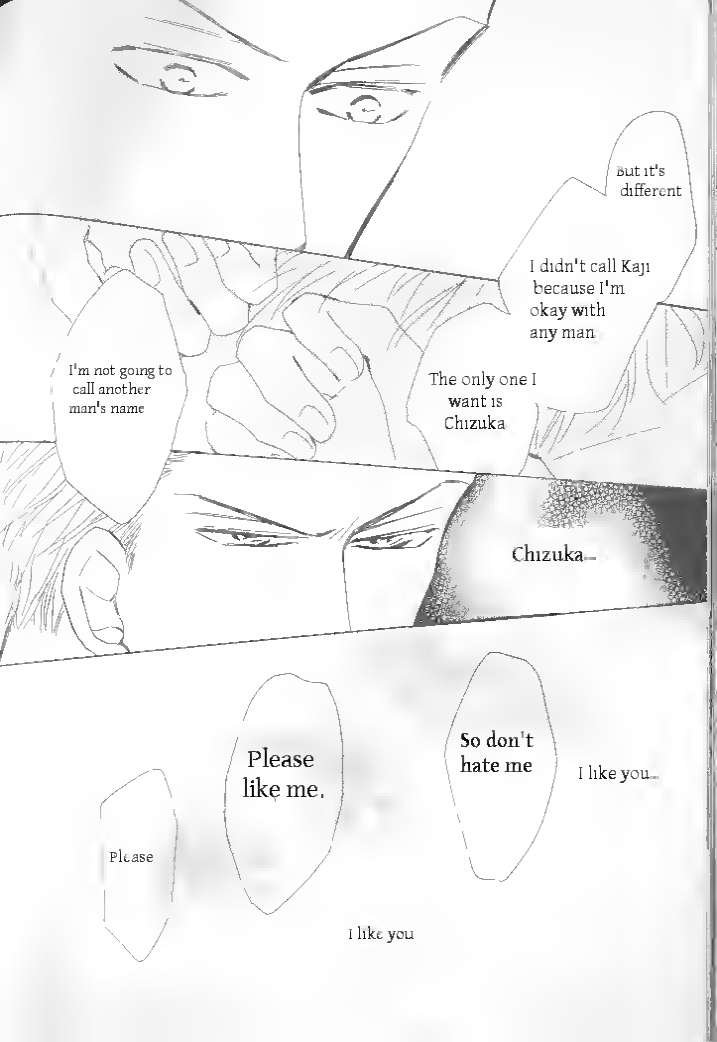
Are you worried you're going to cry out?
You're taking it well
If you call another man's name,
I'm going to wither
sfx tighten
Chizuka

I like you
But...
You're not even letting me mention that anymore

I'm sorry
Your neck tie...
Is dirty



Even when you shut my mouth and do it roughly Il feel it
I become excited
I can't take it and cry out
I've been with lots of men so my body behaves strangely
I'm sorry
...I,
Must really be shameless
I've liked...
Many men until now



But it's different
I didn't call Kaji because I'm okay with any man
I'm not going to call another man's name
The only one I want is Chizuka
Chizuka...
Please like me.
So don't hate me
I like you...
Please
I like you

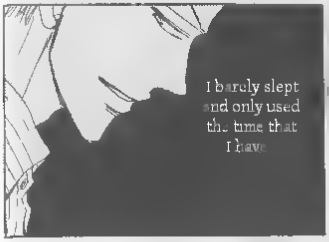
sfx scratch
scratch
I love you
You
Hey
What do you think of me?
I barely slept and came here to embrace you
You're suddenly crying aud clinging to me saying you waut me to like you
I know that we have very different opinions

What are you thinking about?
Chi-zuka?
I'm being treated like a fool
If I'm mist-ken,
why aren't you angry?
Chizuka,
His eyes and voice are different from before
Didn't you feel that it was unfair?
You were wronged and treated roughly,

He is... angry.
It's unplesant.
What do you mean, "Please like me?"
I don't know whether you like me or not.
You only try to control me and make me wait
B-but, I don't know.

I'm going back to work
sfx ah
That you don't have confidence?
Is it my fault,
144
I'm nervous
I like you so much
And I have no confidence

He's always expressionless and gruff
And
I never treated him like a fool
But I don't know
Why?
sfx shut
I'm going back to work
He hasn't done that since spring until now
He s wearing the same shirt since the day before yesterday
Chi zuka,
I m going back to work
I 'm going back to work



The promise that we're supposed to meet today

"Tomorrow"

He kept the promise

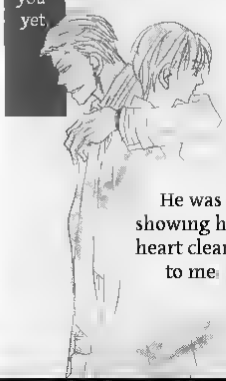
Don't go back

I have-n't eaten you yet

He's only been going to the hotel and work so he doesn't have any clothes to change into

He's so busy that he doesn't have time to buy clothes to change into

His promise with me



He was showing his heart clearly to me

But

Chizuka!
And...
He always embraced me properly
It wasn't sex to get rid of stress.

You came early this morning
Even if you change the time Takashi isn't going to come
His shop has a holiday today
He kept waiting for you
That day you didn't come.
Friday
WWW.FRIDAYSITE.COM

He is a foolish prince.
Really strange
He is
He doesn't know what he's worth.
Hello!
Hello!

I brought one so change into it!
Cutter shirts!
I'm a salesman and didn't realize
Thank God we met
I was afraid because I've been rejected many times
I—

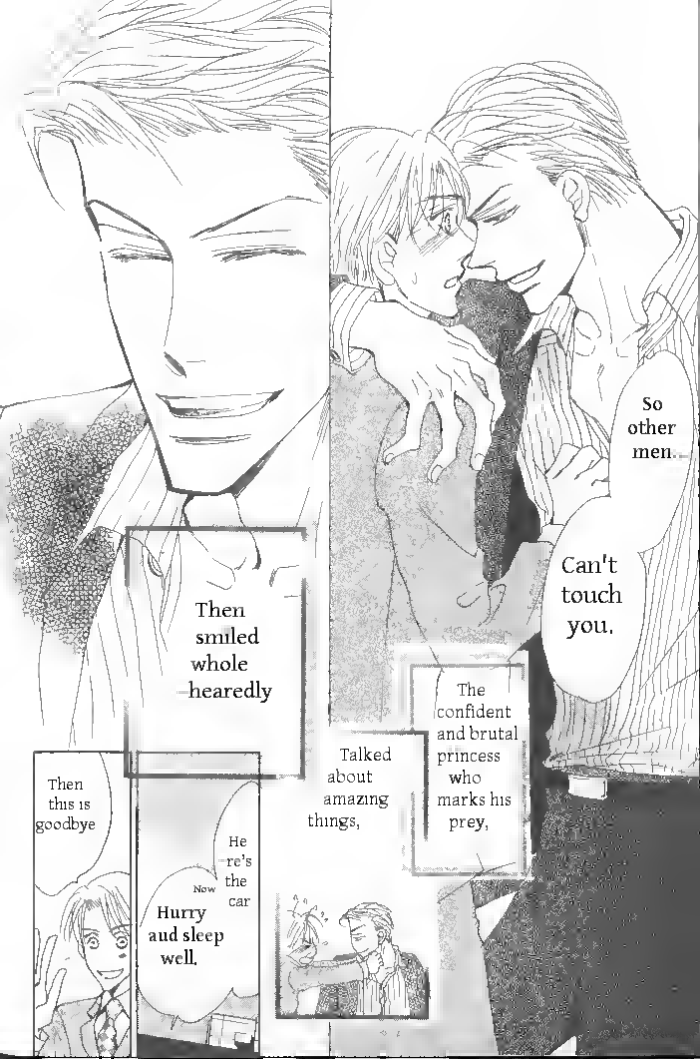
Eh Oh!!
When you made time for me even though it was hard
I was nervous because I didn't have confidence in myself
I'm sorry
That I am stupid
You're too loud Don't shout
Let's go outside
Turn right
There is an entrance slightly to the left
Go straight from here
Sfx move

You shouldn't cry in front of people when you're twenty years old
I...I'm sorry I'm fine now,
So go back to your work
Ah,
It's finished
Huh?
Earlier, it left my hands
I'm on vacation for now
I can go home after a long time
Is... is that so?
Have you calmed down?
So?
Ah! That shirt
These are cheap clothes from a supermarket that opens early in the morning!
Ah... I have to change now?

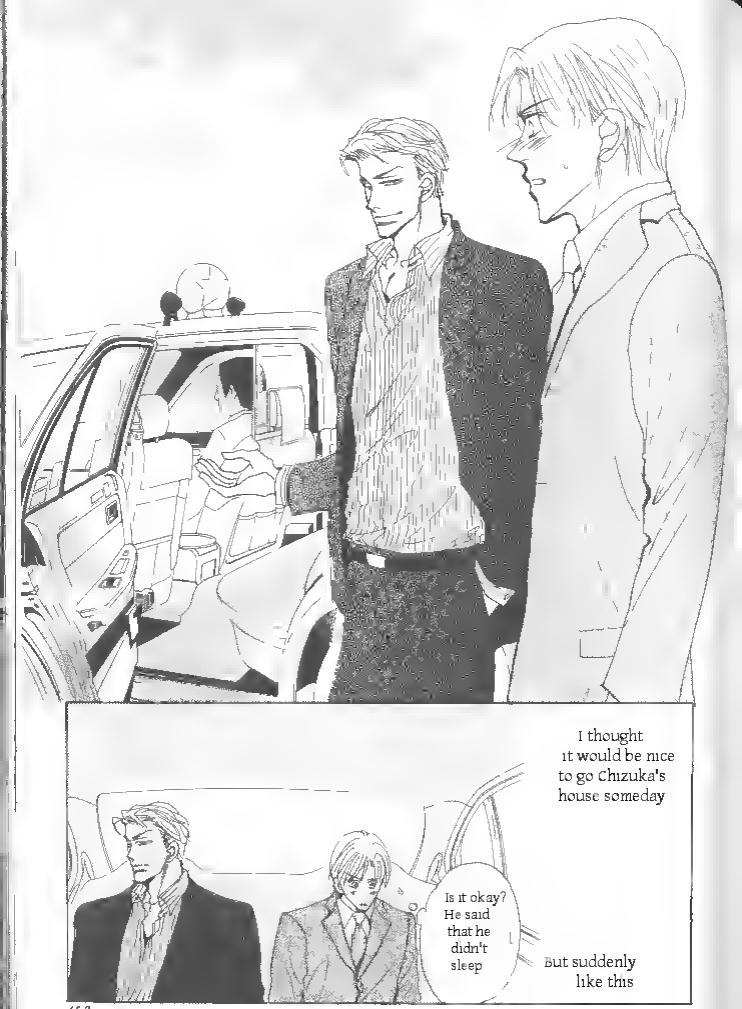
How many men
Are very erotic
You
Did you tame until now?
Tame?
What do you mean tame?
The reason I made time was because I wanted to
I'm telling you
sfx nod
We only met for a short time, but it wasn't enough to gracefully drink coffee
It's not a joke!
I had to enter your mind more
I was trying to make you only think of me

Chi-
zuka
I want to kill whoever taught you,
Whenever I think about it.
mff
But...
It's nearly over

You only smell of me
You smell of male.



So other men..
Can't touch you.
The confident and brutal princess who marks his prey,
Talked about amazing things,
Then smiled whole heartedly
Then this is goodbye
Now
Hurry and sleep well.
He re's the car



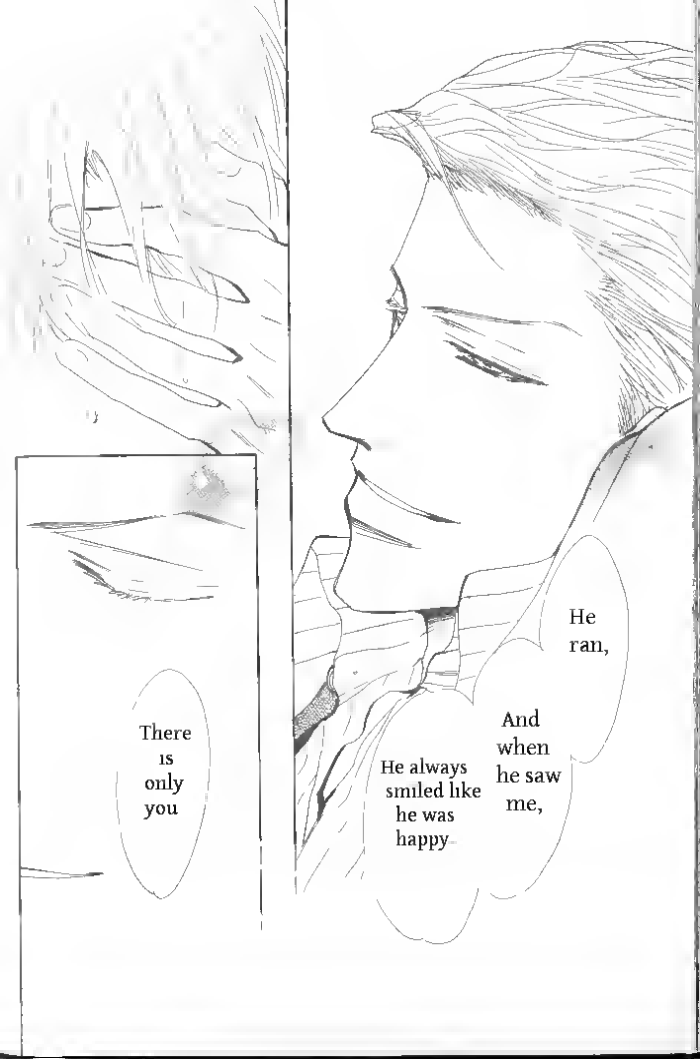
I thought it would be nice to go Chizuka's house someday
Is it okay? He said that he didn't sleep
But suddenly like this

Lend me your shoulders for a while
sfx flinch
I can't move
Wow!
I'm nervous!

He's leaning on me,
He was always sitting still without changing his posture
I feel happy that I can feel Chizuka's weight
He must be very tired...
I'm sorry. I didn't know
You
Did you wait in the shop everyday?
When we get to Chizuka's house I'm going to let him rest
Okay
And prepare a simple meal for him

That's enough for me
If it's possible, next time
Call me or text me
That is
I already knew that you might not be able to come
I waited for you because I wanted to
It was a long time ago,
but I went to a school with a domitory for a long time
I wasn't the only one who wasn't visited by their family and didn't go home for the holidays
I only listened to excuses through the phone
Chizuka...
But,
I'm only waiting for five minutes
After that, I didn't want to make anyone wait or wait for anyone anymore
I think that you have to properly call to cancel dates

At the cafe,
I was waiting for the guy,
Who drinks coffee like it has a horrible taste everyday
He always
Came running when I was waiting for him
Yes...



He ran,
And when he saw me,
He always smiled like he was happy
There is only you

You're the only one..
I am waiting for
Do you see?
Yes..
There is only me
He is only waiting for me.

sfx
carry
You're light
Aren't you eating properly, Little prince.
I'm eating!
No, it's not that
Chi Chizuka! Your stomach!
Chi...
Chizuka?
Look
You said you were going to sleep after having a shower.
I am going to sleep
Of course
Aren't you hungry?
If you worked all night...
Friday
WWW.FRIDAYS.NET

Eck

Thank

Mm
sExY Freak
You have to sleep soon
You're tired

Never cry in front of people again
You
Okay?
Yes...

Tomorrow,
In His Bed *end*
